EDUCATION

Dr. A. P. J. Abdul Kalam Technical University (AKTU)

Bachelor of Technology - Computer Science (Overall SGPA 8.5 till 6th sem)

Ghaziabad, IN

2020 - 2024

Kendriya Vidyalaya

Class 12 - CBSE (97.2%)

Muzaffarnagar, IN

2020

Kendriya Vidyalaya

Class 10 - CBSE (88.8%)

Muzaffarnagar, IN

2018

SKILLS SUMMARY

- Languages : C, C++, Python, Java, Javascript, SQL
- Tech Stack : HTML, CSS, Javascript, Supervised and Unsupervised ML algorithms, OpenCV.
- Developers Tools and Technologies : Git/Github, Data structures and algorithms, VS studio.
- Additional Skills : Coding, Reading books, Critical thinking, Leadership

PROJECTS

Attendance using face recognition system | OpenCV, CNN, ML algorithms

- A software that used for taking attendance by capturing the 50 images of user and recognizes him/her on testing.
- It gives 96% more accurate result than other face recognition systems and also beneficial in dim light areas.

Jarvis | NLP, Deep learning, speech recognition, ML algorithms

- It's a chatbot named Jarvis which can perform your tasks given by user through speech.
- Google search, Weather information, E-mail sending, etc are some of tasks performed by Jarvis.

Flipkart clone | HTML, CSS, Javascript

- It's a clone of flipkart website built using HTML, CSS and Javascript.

ACHIEVEMENTS AND HACKATHONS

- 3rd runner up in Tech-a-thon 3.0 organized by i neuron company.
- Top performer in Hackathon organized by Rajasthan government on the occasion of IT day.
- 400+ solved problems on Leetcode, GFG, Hackerrank, CodeChef.
- 5 star in C and C++ on Hackerrank.
- Certified in SQL and CSS on Hackerrank.
- In Top 1% student in class 12th CBSE by scoring 100 marks in mathematics.

CERTIFICATES

- Certification in Machine Learning by Internshala.
- Certification SQL and CSS on Hackerrank.
- Winning Certificate of Tech-a-thon 3.0 by i neuron
- Certificate issued by CBSE in top 1% student in CBSE class 12th.
- Certification in DBMS and Python by Infosys.

LANGUAGES

- English (Full Proficiency)
- Hindi (Full Proficiency)

INTERESTS AND HOBBIES

- Programming on Leetcode, GeeksForGeeks, CodeChef, etc.
- Reading books, playing chess, solving Rubik's cube.
